

## SPECIAL SCHOOL ELECTION

The Northern Burlington County Regional School District is holding a Bond Referendum on September 29, 2015. North Hanover Township Districts 1, 2 and 3 will vote in the NHT Municipal Building. The polls will be open from 2pm until 9pm. For additional information visit [www.nhburlington.com](http://www.nhburlington.com) or call 609-298-3900. •

## HOW TO RENEW OR GET A DOG LICENSE

- Dogs seven months or older require a license.
- Resident must bring a rabies certificate, valid through October 31 of the licensing year.
- If the dog has been spayed or neutered, the owner must provide proof.

The dog license is required to be renewed every January. It is the responsibility of the owner to register, and a reminder is not sent out. The fee is \$12.00 for a neutered/spayed dog and \$15.00 for non-neutered/spayed. There is a late fee of \$5 after February 1st. North Hanover does not require the licensing of cats.

North Hanover's free rabies clinic will be held on January 16, 2016, 9 am to 11 am. All dogs and cats are welcome.

We take this opportunity to remind you this is in accordance with State Law and Township Ordinance 6-020.1, No person shall keep or harbor any dog of licensing age within the Township without first obtaining a license therefore to be issued by the Township Clerk, upon application by the owner and payment of the prescribed fee. •

## ATTENTION HOMEOWNERS

In an attempt to improve Emergency Services for our community, we ask that your house be identified clearly. Please use a number at your driveway access no less than 3 inches tall.

This is in accordance with Township Ordinance 8-040: Numbering of house/buildings shall be required to be clearly displayed and visible from public streets for all properties within the Township of North Hanover. This requirement is to assist the general public or authorities in identifying any property in the event of an emergency, as well as for the welfare of the general public, pursuant to NJSA 40:67.1 (j)

## BENEFIT

There will be a Beef & Beer Benefit October 17, 2015 for Chris Kramer, Deputy Chief for Jacobstown Volunteer Fire Company who recently suffered critical injuries in a motorcycle accident. Our concerns go out to Chris and his family wishing for continued recovery. For more details visit [www.northhanovertwp.com](http://www.northhanovertwp.com). •

## PIPELINE

The Township Committee has been monitoring the impact of the NJ Natural Gas Southern Reliability Link Pipeline for the past 8 months. Updates and links can be found on our township website [www.northhanovertwp.com](http://www.northhanovertwp.com). •

## U.S. MARINE CORPS RESERVE TOYS FOR TOTS COLLECTION

Collection Boxes will be placed in the Municipal Building Administrative Office beginning November 2, 2015 until December 9, 2015. Your generous contributions have enabled Marine Corps to bring the joy of Christmas and send a message of hope to America's less fortunate children. The donation of your new unwrapped toys will benefit the less fortunate in Burlington County.

## RECREATION PROGRAM

There have been some recent improvements to the gravel road bordering Green Acres Park. With the help of Herman's Landscaping Supply, the road was recently resurfaced with a new layer of crushed stone. Additionally, the parking area between Green Acres Park and the sports fields was converted from a grass surface to crushed stone.

The concession stand at Green Acres Park will be open for the 2015 Soccer Season. On most Saturday's this fall, Zirilli's Catering will be selling hot food, snacks, candy and beverages.

Basketball registration for the 2015-2016 season will be open soon. Make sure to visit the Recreation Page on the Township website to keep up to date on all Township recreation matters. •

## 2 YEAR PROJECT 20 YEAR LIFESPAN

As noted in the last newsletter, the township committee has been working for several years developing a fiscally sound road improvement plan. As do all municipalities, North Hanover Township has appropriated tax dollars year after year for road repairs, this is required for safety and welfare within our community. Like all maintained infrastructure, each has a useful life. When the cost of maintaining/repairing the infrastructure no longer extends its useful life it is time to implement a capital plan where the money invested returns the infrastructure to a place where maintaining is routine and repair is seldom required. Owning and

maintaining a personal car is a similar comparison.

So what will you see over the next two years? With an expected bid acceptance in November the timeline for the project will begin. Every road owned by the township will be paved. The roads will be grouped into phases to provide a cost effective logical progression.

Entering into this project now with the current reduced oil pricing will ensure maximum road coverage at the best rate. Residents will be notified before your street becomes an active part of the resurfacing project.

It brings us pleasure to inform NHT residents that the road ahead will be smoother, literally. •
