Vendor Permit Rules

COOKING

1. All vendors must have an approved fire extinguisher and the extinguisher must be inspected within that year by an approved agency.
2. All mobile cooking trailers are to have a kitchen suppression system in operation at the time of the event and must be approved and inspected by an approved agency.
3. All vendors that are cooking with propane must have the propane tanks secured to prevent tipping.
4. There is to be NO cooking under any tent of any kind.
5. All electrical cords must be secured to also prevent tripping hazards.

VENDORS

1. All vendors must secure their tents to prevent from blowing away.
2. All inflatable blow ups must have an approved fire extinguisher near the generators.
3. Any vendor with flame resistant products must provide the paper work for the Fire Marshal to have on file.
4. Any vendor that is not compliant with any of the rules above that pertain to them will be asked to shut down and leave by the order of the Fire Marshal.
