Approved 4/3/2018

Twan called the meeting to order at 7:40, no members of the public were present. He informed the committee that the twp finance department has no objection to the LED sign proposed recently here from being funded by the Recreation Trust. With a 4x4 steel post base installed, it should not exceed \$10,000. It is proposed to be adjacent to the cyclone fence at the edge of the CBLamb parking lot where the old sign with the removable letters had been for years.

A new sponsor, the NHTwp Education Association has become one of our new sponsors.

Basketball participation event will be 3/22/18, picture frames are the recognition gift. Uniforms will need to be ordered.

The Easter Egg Hunt- all supplies have been received, 1,000 eggs. Casey will be reimbursed for her expenditures based on her receipts. Twan will open the building if there is rain, public will be informed. The bathrooms will be open and ready.

Memorial Day Parade: Twan did not get the financial cap for the food from the township yet. The food bill from last year was unexpected and will not happen again this year with proper communication. The after party will be at the firehouse for participants. We are paying for the food and the firehouse will be setting up and breaking down. North Hanover Twp t-shirts will be available for sale at the field.

Fields: Stan will make an inspection and a list of things to be addressed. Next to be addressed would be whether improvements or repairs would be funded by the Rec Budget or the Bldg and Grounds of the Twp budget. Again, it has been too wet to do the dirt.

Baseball: all teams are set, and have coaches. 6 Rookies, 10 T-Ball, t-shirts and hats need to be ordered. We were reminded that if an expenditure will exceed \$2,675 2 quotes are necessary before a purchase can go forward. The major and minor players will be sent by NBIAA to Twan. 2 people registered directly at NBIAA and not on the NHT site. NBIAA will reimburse them and they will have to go through our usual registration process on the NHTwp site. Please have them call Twan at the Twp Thursday between 9 and 10 a.m. Alex DE Good a wiffle ball coach, will need to renew his Rutgers Safety Certification.
