Quackenboss	Absent			

7:35 PM The meeting was called to order, the minutes of the July 22, 2014 meeting were approved with 2 typographical corrections made by a motion from John, second by Twan and approved.

Twan Berben’s SOCCER REGISTRATION Report: The number of girls registered is slightly lower than last year.

- First and second grade -2 teams
- 7th & 8th grade boys 1 team combined
- 3rd & 4th grade boys- 2 teams
- 3rd & 4th grade girls- 1 team
- 5th & 6th grade girls- 1 team
- 7th & 8th grade girls- none, the few girls are playing on a boys team

The field set up was complete in 2 hours, 12 people turned out to help. It was great to have it go so well. A few changes will be made to keep the garbage cans from falling over; they will be anchored near a fence post.

Registrations- for new residents will be accepted on an as needed basis. Uniform distribution is in progress. There was a player injured outside of our recreation activities, parent requested a refund, this is not our policy, message will be conveyed.

Lennar Builders provided a banner sign for their sponsorship.

There is one coach whose emails was not received due to a situation with his email account and received his team and information a little late.

The season will end 11/15/14, tournament will be 11/22/14

DAREN DOHERTY’S BASKETBALL REPORT: Remembering last year’s extra fees (the door monitor was about \$1,500, jr registrations were \$1,000) he asked if we should consider a change in the registration fee. Last year we had 100 players, this year we need approximately \$1,800 equipment, there are usually 15 players in the higher-grade division and the cost differential is \$75. Our registration is \$30 on a NBIAA cost per player of \$100.

In discussion it was considered whether or not the board would want to raise one sport and not others, as well as the fact that there is not a financial necessity at this time due to the sponsorships and fund raising. The informal general consensus was to stay where we are now and see what happens after the spring.

John Fletcher’s Baseball Softball Report: The only thing left to do is put the job boxes away.

Darlene Morrow's Community Events Report: The community blood drive collected 42 pints of blood- a successful event.

She is pursuing a request to the firehouse to consider moving the firehouse digital sign to improve visibility and message management.

The movie choices for community movie night are Meet the Robinsons and Free Birds, Free Birds won the majority vote. It will be shown at dusk on 9/19/14. Mr. Softee will be there with funnel cakes fried Oreos and ice cream. Rain date 9/26/14. There will be fireworks! (Vote necessary) She reminded that the power must be put on at the pole and the time adjusted, bathrooms need to be open grass cut, snack shack open, garbage cans in place and police on hand.

John Fletcher made the motion: We should include fireworks as part of this year's Community Family Movie Night, cost \$3,500. Darlene was the second.

Vote: all ayes.

Pictures for soccer will be 9/5/. She commented that the Lennar sign is nice, but she wants the signs to be uniform in shape and design and it can stay until the sign maker makes a conforming sign.

There were no public present.

Nancy made a motion to close the meeting, second by Darren all ayes.

Meeting was adjourned 8:45

Respectfully submitted,

Nancy Lu Mannuccia
