Report from:	Current topics	Previous
Chairman report	Reported that he modified the golf cart to make it easier to move the goal posts into and out of place, it will be stored in the cage. John and he agreed a hook on the back of the golf cart would be helpful also. Tournament – 5 <sup>th</sup> and 6 <sup>th</sup> grade girls played well. Visitors from Mt Laurel and Long Branch and community members made a point of saying they were well satisfied with the snack bar food. Lower enrollments seems to be common across the region.	Snack bar is all put away for winter
Basketball report, Daren Doherty	k-6, 8 teams, uniforms are expected any day. 7 <sup>th</sup> -12 <sup>th</sup> grades, issues. There seems to be a change in NBIAA Admin of the regionalized program with Paul stepping down and Brian Cisz not being around as much. Darren and Greg Bogle offer to take the program on, but have not heard anything back yet. Assessments are not yet scheduled and the teams are not yet put together.	A question was posted on the facebook page- Who pays the out-of-town fee posed by a person from McGuire Housing. John and Twan stated that the explanation is on the website as was approved by the Twp Committee. We believe their question was sufficiently answered.
Registration, Twan Berben	NBIAA might have to send refunds back if the adm issues are not resolved in time. He still needs coaches lists from the various sports. Requested a list of equipment needed.	

<p>Community Events, Darlene Morrow</p>	<p>Tree Lighting is all set, reminded that the p.a. system is needed. Pledge of Allegiance is set, the event is on the firehouse sign, deacons from local worships will say a few words. Christmas will not be eliminated from the message, other will be included.</p> <p>Suggested an improvement to the inside of the snack bar window.</p> <p>We renewed our affinity with LifeTouch Photo, and they renewed their commitment to us. LaPiazza's sponsor sign is in production. Donny's Potty did not get a sign for half the year, it will be put up and left up to make up for it.</p> <p>Please look at the bleachers nearest the baseball fields, they are in poor condition; refer them to Buildings and Grounds.</p>	<p>Brief discussion about how the cross-walk area fence could/ would be preferred to look better and be functional.</p>
