The firehouse sign is in the wrong place for best visibility and how to get the messages changed to reflect community events far enough in advance for people to plan for them. She will talk to Lou

Game Balls \$500, second by Twan, all ayes.

Soccer, Twan reported that registration is open; there is 1 or 2 uniform deposit to refund. The tournament will be in Bordentown rain or shine. The gates at Field 1 \$& 5 need to be replaced with 2 six foot gates so a truck can get through with the infield mix. The Green Acres fence could be moved back from the parking area, Per Bill Quackenboss, the construction company has some responsibility to have left it the way they found it and that is an item for the township committee to pursue.
