Ms. Blum passed out budget worksheets for the Township Committee to follow along and review each line item in the potential 2013 Budget. Mayor Durr advised that when reviewing each line item some may be reduced while others are increased. We are only going to review the operational expenses and not the salary and wages today. Once all line items are considered, the Finance Office will have them added up to see where we stand; if more cuts are necessary or not as it relates to our cap limits.
