ORDINANCE – INTRODUCTION

2016-10 An Ordinance of the Township of North Hanover Amending the Program for the Recycling of Designated Recyclable Materials and Modifying for Violations Thereof

**TOWNSHIP OF NORTH HANOVER
COUNTY OF BURLINGTON
ORDINANCE 2016-10**

AN ORDINANCE OF THE TOWNSHIP OF NORTH HANOVER AMENDING THE TOWNSHIP’S MUNICIPAL CODE AND OTHER ORDINANCES AND RESCINDING AND REPLACING ALL PREVIOUSLY ADOPTED TOWNSHIP ORDINANCES PERTAINING TO THE PROGRAM FOR THE RECYCLING OF DESIGNATED RECYCLABLE MATERIALS AND MODIFYING FOR VIOLATIONS THEREOF

WHEREAS, the New Jersey Solid Waste Management Act ("SWMA"), 13:1E -1et seq., as amended by P.L. 1987, c. 102, requires each municipality within the State of New Jersey to adopt an ordinance or ordinances governing separation and collection of certain recyclable materials; and

WHEREAS, the Burlington County District Solid Waste Management Plan ("County Plan"), as adopted by the Burlington County Board of Chosen Freeholders ("County") and approved by the New Jersey Department of Environmental Protection ("DEP") pursuant to the SWMA, also requires each municipality within the County to adopt an ordinance governing separation and collection of recyclable materials as designated by the County Plan; and

WHEREAS, pursuant to the County Plan, the Division of Solid Waste Management (DSWM) has prepared and distributed a model ordinance in a form substantially similar to this Ordinance; and

WHEREAS, the Township of North Hanover will be instituting a curbside program for the collection of source separated recyclable material and therefore it is necessary for the Township Committee to adopt an ordinance rescinding and replacing all previously adopted Township recycling ordinances.

NOW THEREFORE, it is hereby enacted and ordained by the Township of North Hanover in the County of Burlington, State of New Jersey, as follows:

Section 1. Purpose of Ordinance

The Township of North Hanover finds that reducing the amount of solid waste and conservation of recyclable materials is an important public concern and is necessary to implement the requirements of the SWMA and the County Plan. The recycling of certain materials from the residential, commercial and institutional establishments in this Municipality will conserve existing landfill capacity, facilitate the implementation and operation of other forms of resource recovery and conserve natural resources through reduced energy consumption, and reduced water and air pollution as well as reduce the demand on raw material extraction.

Section 2. Statutory Authority for Ordinance

This Ordinance is adopted pursuant to P.L. 1987, c. 102 (effective April 20, 1987), N.J.S.A. 40:48-2, N.J.S.A. 40:66-1 and N.J.S.A. 40:49-2.1 and any amendments adopted thereto.

Used oil accumulation centers may also accept used oil from household “do-it-yourselfer” used oil generators.

Section 4. Requirements Applicable to Source Separation of Designated Recyclables.

Notwithstanding the limitations to the Burlington County Regional Program (BCRP) or the Municipal Recycling Depot as outlined within this ordinance, every person is required to source separate and recycle each of the Designated Recyclable Materials outlined within this ordinance.

Section 5. Establishment of Curbside Program.

- A. In order to facilitate the collection of certain Designated Recyclable Materials, there is hereby established a curbside program for the collection of source separated recyclable material from residents of the Municipality.
- B. Designated Recyclable Materials for the curbside program are those materials designated by the DSW for collection within the BCRP. These materials are: Aluminum Cans, Corrugated Cardboard, Glass Containers, Paper, Plastic Bottles (Coded 1 & 2), Steel (Tin) Cans and other recyclable materials as may be designated from time to time by the DSW.
- C. Multifamily complexes of twenty (20) or more units, condominium complexes of twenty (20) or more units or mobile home parks of twenty (20) or more units, or any commercial or institutional establishment shall not receive collection under this program unless the collection location and type of containers are approved by the DSW.
- D. Collections of recyclable materials pursuant to this section shall be in accordance with a schedule of recycling collection areas and dates promulgated by DSW and publicly advertised by the Municipality or County.
- E. All residents served by the curbside program shall source separate all designated recyclables for curbside collection and shall place them at the side of the road fronting their residence in the manner designated by Section 6 of this Ordinance and on the date specified for collection.
- E. Residents who are physically unable to place recyclable materials out for collection within the Burlington County Regional Program shall be exempt from requirements for participation within the program.

- a. Determinations for this exemption shall be at the discretion of this Municipality.

Section 6. Requirements Applicable to Source Separation and Collection of Designated Recyclables for the Curbside Program.

All recyclables placed for collection pursuant to the Curbside Program established within Section 5 of this Ordinance shall be source separated and prepared for collection in accordance with the following conditions:

- A. Cardboard and paper shall be placed loose in municipally issued recycling carts.
 - a. Cardboard and paper shall not be set out for recycling collection in plastic bags.
 - i. Boxes shall be flattened as to fit into the cart.
 - ii. Plastic wrap, Styrofoam and other plastic packing materials must be removed from cardboard boxes before recycling.
 - iii. Where cardboard boxes are too large to be placed in the cart and where there are too many boxes to fit within the cart, cardboard boxes must be flattened and placed alongside the cart for collection.
 - b. Carts shall be placed at the curb with the lid opening facing the street.
 - c. Carts shall be placed in such a manner so as to leave at least three (3) feet of clear space around each side of the cart.
 - i. Carts shall be placed in such a manner so as to avoid interference from overhead obstructions.
 - d. Carts shall be maintained in a neat and sanitary condition so as to deter vermin and odors.
 - e. Carts are the property of the municipality and may not be used for any other purpose or to contain any other material.
- B. Glass containers, aluminum cans, steel cans and plastic bottles:
 - a. Remove caps and lids in accordance with County Recycling Guidelines.
 - b. Glass containers, aluminum cans, steel cans and plastic bottles shall be rinsed free of contaminants.
 - c. Glass containers, aluminum cans, steel cans and plastic bottles shall be placed along with Cardboard and Paper in municipally issued recycling carts.
 - d. Plastic and/or paper garbage bags shall not be utilized as containers for glass containers, aluminum cans, steel cans and plastic bottles.
- C. Municipally provided recycling carts may not be used for any other purpose whatsoever.
- D. Removal of recycling carts from a property which have been provided by the municipality by any person is prohibited.
- E. Recyclables shall not be placed for collection earlier than the evening of the day preceding a scheduled collection day. Recyclables must be placed at the roadside by 6:00 A.M. on the scheduled collection day.
- F. All other terms and phrases shall be as defined in the SWMA and regulations promulgated thereunder and the County Plan, unless content clearly requires a different meaning.

Section 7. Establishment of a Municipal Recycling Depot Program.

- A. There is hereby established a Municipal Depot Program for the convenience of the residents. Source Separated Recyclables listed below may be brought to: North Hanover Township Waste Facility located on Meany Road, during the times and days advertised.
- B. The following source separated recyclables will be accepted at the Municipal Recycling Depot:
 - a. Aluminum Cans
 - b. Corrugated Cardboard
 - c. Glass Containers
 - d. Paper
 - e. Plastic Bottles (Coded 1 & 2)
 - f. Steel (Tin) Cans
 - g. Other recyclable materials as designated by the Municipality

Section 8. Requirement to provide Common Area Recycling Storage location.

- A. It shall be the responsibility of the owner or manager of every Multifamily, Qualified Private Community and Mobile Home Park to construct and maintain, in a neat and sanitary condition, Recycling Storage Location(s) and recycling containers on their property in accordance with the Land Development ordinances of the Township of North Hanover and in accordance with the requirements of the Burlington County Division of Solid Waste Management (DSWM).
- B. Designated Source Separated Recyclables:
 - a. Aluminum Cans
 - b. Corrugated Cardboard
 - c. Glass Containers
 - d. Paper
 - e. Plastic Bottles (Coded 1 & 2)
 - f. Steel (Tin) Cans
 - g. Other recyclable materials as designated by the Municipality
- C. The owner or manager of each of the above referenced locations shall notify all new residents within thirty (30) days of occupancy and all residents of such locations no less than two (2) times each calendar year, as to the list of materials required to be recycled; the location of all recycling containers; and the requirements for recyclable material preparation.
- D. The owner or manager of each of the above referenced locations who elects not to participate in the Burlington County Regional Program shall arrange for the collection and recycling of the designated recyclable materials outlined within this section at their own expense as allowed by law.
- E. The owner or manager of each and every one of the above referenced locations shall be required to report recycling tonnages of all designated recyclable materials as described in Section 8 except for those materials collected through the Burlington County Regional Program.

Section 9. Mandatory Commercial and Institutional Source Separation Program.

All persons generating municipal solid waste within this Municipality through the operation of a commercial or institutional establishment shall source separate and arrange for collection of all designated recyclables within thirty (30) days of the effective date of this Ordinance.

- A. Designated Recyclable Materials for the mandatory commercial and institutional source separation program shall consist of the following materials:
 - Aluminum Cans
 - Antifreeze
 - Consumer Electronics
 - Corrugated Cardboard
 - Fluorescent Lights
 - Glass Containers
 - Lead Acid Batteries
 - Leaves
 - Metal Appliances
 - Paper
 - Plastic Bottles (Coded 1 & 2)
 - Rechargeable Batteries
 - Steel (Tin) Cans
 - Textiles
 - Tires
 - Used Motor Oil
 - Ink Jet Cartridges
 - Toner Cartridges
 - Other recyclable materials as designated by the Municipality.
- B. The owner or manager of each and every Commercial and Institutional Source shall be required to report recycling tonnages as described in Section 10.

- C. The arrangement for collection of designated recyclables for disposition hereunder shall be the responsibility of the individual(s) responsible for the provision of solid waste or recycling services including the provision or maintenance of litter receptacles located on the property of any commercial or institutional establishment generating designated recyclables.

Section 10. Recycling Reporting Requirements.

Pursuant to 7:26A-10.3, all commercial and institutional generators and all multifamily housing owners or their agents shall report the tonnage of designated recyclable materials collected for recycling from their business or premises, as follows:

- A. The management individual(s) responsible for the provision of recycling services as herein defined at all Residential, Commercial, Institutional and Industrial properties that contract for recycling services with a private company, shall submit to the Municipal Recycling Coordinator by the First Day of February of each year, documentation verifying the previous year's total recycling (expressed by weight) for each material recycled.
- B. Documentation shall take the form of a letter or report issued by the recycling service provider or end market to the generator of the recycled material. The generator must maintain weight slips or paid invoices and make such records available for inspection by this Municipality, County or State for a period not to exceed five (5) years.
- C. Any solid waste or recycling service provider shall submit to the Municipal Recycling Coordinator, by the First Day of February of each year, documentation verifying the previous calendar year's total recycling (expressed by weight) for each material recycled on forms as prescribed by the DSWM.
- D. At a minimum, all reporting shall detail the municipality of origin, the name and location of the market or recycling center and the amount of each source separated recyclable material, expressed in gallons, tons or cubic yards, brought to each manufacturer or recycling center from the municipality of origin. Those persons specifying this information in cubic yards shall also indicate the conversion ratio utilized for calculating the materials from cubic yards to tons.

Section 11. Unlawful Activities; Nuisance.

It shall be unlawful for:

- A. Any person, other than those persons authorized to collect any designated recyclable which has been placed at the roadside for collection or within a recycling depot pursuant to this Ordinance;
- B. Any person to violate, cause, or assist in the violation of any provision of this Ordinance or any provision of the County Plan concerning recycling;
- C. Any person to place or to cause to be placed any material other than a designated recyclable in recycling cart or other municipally provide recycling containers;
- D. Any person to hinder, obstruct, prevent or interfere with this Municipality, the County or any other authorized persons in the performance of any duty under this Ordinance or in the enforcement of this Ordinance;
- E. Any person to offer to collect or knowingly collect designated recyclable materials in any manner except as source separated recyclable materials as defined herein; or
- F. Any person required to provide a report as required under this ordinance to fail to do so.

All unlawful conduct set forth in this section shall constitute a public nuisance.

Section 12. Non-collection of Solid Waste.

- A. Any person collecting solid waste generated within this Municipality shall refuse to collect solid waste from any person who has failed to source separate recyclables

designated under any applicable section of this Ordinance.

- B. Any person collecting solid waste generated within this Municipality shall refuse to collect solid waste from any person who has placed solid waste into a municipally issued recycling container.

Section 13. Other Means of Disposal.

- A. Notwithstanding anything herein to the contrary, any resident of the Municipality may donate or sell any recyclable to any other person, whether operating for a profit or not for profit, provided, however, that the person receiving the recyclables shall not, under any circumstances, collect the donated or sold material from an established recycling collection route or from a recycling depot.

Section 14. Non-interference with Existing Contracts.

- A. Nothing contained in this Ordinance shall be construed to interfere with or in any way modify the provisions of any existing contract which is consistent with N.J.S.A. 13:1E 29 and in force in the Municipality on the effective date of this Ordinance.
- B. No renewal of any existing contract upon the expiration of the original term thereof and no new contract for the collection, transportation, processing or purchase of solid waste or recyclables shall be entered into after the effective date of this Ordinance, unless such renewal or such contract shall conform to the requirements of this Ordinance.

Section 15. Enforcement.

- A. Enforcement of this Ordinance shall be the responsibility of the following: Municipal Recycling Coordinator, Police or Code Enforcement Official.
- B. In addition to the Municipal Recycling Coordinator, Police and Code Enforcement Official, the Burlington County Health Department and the DSW are hereby appointed as Enforcement Officer(s) for enforcement of all recycling requirements of this Ordinance.
- C. Enforcement of this Ordinance shall be commenced in the Superior Court or in the municipal court of the Municipality, and penalty or fine shall be collected with costs in a summary civil proceeding.
- D. Any penalties or fines collected in an enforcement action shall be paid to the Municipality when the Municipality brings such action.
- E. Any penalties or fines collected in an enforcement action shall be paid to the Treasurer of Burlington County when such action is brought by the Burlington County Health Department or the DSW.

Section 16. Schedule of Penalties.

Any person who violates the provisions of this Ordinance shall upon conviction thereof in a proceeding before a court of competent jurisdiction be subject to the following fines:

- A. Misuse of recycling containers/carts for trash, theft of containers: A fine of not less than sixty – five dollars (\$65.00) and not more than one hundred dollars (\$100.00).
- B. Residential Recycling Violation: A fine of not less than twenty-five dollars (\$25.00) and not more than one thousand dollars (\$1,000.00).
- C. Scavenging: A fine of not less than fifty dollars (\$50.00) and not more than one thousand dollars (\$1000.00).
- D. Commercial or Institutional Violation: A fine of not less than five hundred dollars (\$500.00) and not more than one thousand dollars (\$1,000.00).

- F. For any solid waste or recycling service provider who fails to report as required within this ordinance: A fine of not less than five hundred dollars (500.00) and not more than one thousand dollars (\$1000.00).
- G. For any management individual(s) responsible for the provision of recycling services as herein defined at all Residential, Commercial, Institutional and Industrial properties that contract for recycling services with a private company who fails to report as required within this ordinance: A fine of not less than five hundred dollars (500.00) and not more than one thousand dollars (\$1000.00).

Each continuing day of violation of this Ordinance shall constitute a separate offense.

Section 17. Injunctions; Concurrent Remedies.

In addition to any other remedy provided in this Ordinance, the Municipality may institute a suit in equity where unlawful conduct or public nuisance exists as defined in this Ordinance for an injunction to restrain a violation of this Ordinance or the County Plan. In addition to an injunction, the court may impose penalties as authorized by Section 16 hereof. The penalties and remedies prescribed by this Ordinance shall be deemed concurrent. The existence, exercise or any remedy shall not prevent the Municipality or the County from exercising any other remedy provided by this Ordinance or otherwise provided by law or equity.

Section 18. Construction.

The terms and provisions of this Ordinance are to be liberally construed, so as best to achieve and to effectuate the goals and purposes hereof. This Ordinance shall be construed in pari materi with the SWMA and the County Plan.

Section 19. Severability.

DISCUSSION

- 2016/2017 Best Practice Inventory
Attorney Roselli reviewed the requirements of the Best Practice Inventory. Clerk Picariello noted the inventory results were in compliance.
- “Thin Blue Line” Schoolhouse Road
Clerk Picariello reviewed this request from the Chief of Police. She noted this could be done at no cost and Engineer Gibson could do a change order to have the yellow lines repainted. There was a general consensus to move forward.
- Curbside Recycling Program
Clerk Picariello noted carts would be curbside by November 9th, with the first pick-up November 10th. She asked for direction on the delivery of second bucket requests. There was a general consensus to offer taxpayer to pick-up or have maintenance deliver.

TOWNSHIP COMMITTEE “COMMENTS”

Committeeman Kocubinski reviewed his attendance at the DEP hearings and the Pipeline meeting. He noted his attendance at the Labor Negotiations Seminar on October 13th.

Deputy Mayor Butler noted she was in process of preparing a Newsletter and asked for input to be submitted within the next two weeks. She also noted she knows Chaplain Hlad and stated he has long been involved in the Community.

Committeeman DeLorenzo noted he is looking forward to the Newsletter. He is hoping the tipping fees go down with the curbside recycling.

PUBLIC PARTICIPATION

Questions, comments or statements from members of the public in attendance.

Mayor Durr opened the meeting to the public. There was no public comment this evening.
