Baseball

- Season is ending
- Pictures were delivered - nothing but good reviews again
- Sponsors will be receiving plaques, a shirt, and thank you
- Pizza Party "Banquet" will be June 14th at 6pm, at Green Acres. Alex is setting up a Sign Up Genius for RSVP, paper goods, desserts, and beverages
- Trophies are in and ready for the banquet
- There was talks about the possibility of dropping Wiffle Ball due to low numbers. Tee-ball would then be the first step, allowing 4 year olds to play.

Fields

- Matt (softball commissioner) put in complaints to the NBIAA about our fields. He asked parents to call the Mayor and complain. The Mayor has since prohibited from using our fields. All fields are closed except Field 3, due to field conditions
- Moving forward - the fields need to be sprayed again. Twan says they're tilling them. The township equipment is running and appropriate at this point. They will continue to till all summer. Once there is 2-3 weeks with no rain, we will be receiving more dirt. We need to edge the fields.
- Next year - it was suggested that we make a before & after checklist for home team coaches to have to care for the fields. For this, they would need access to equipment (rakes and such). It was talked that may be could get a small shed (or shipping container) that would hold this equipment.
- Snack stand was spoken about for a fundraising opportunity to bring money back into the programs.
- Bathroom vandalization again - The township is looking into new security measures/locking systems
